Certification of Authorship and Statement on Proprietary Interest

Authorship—All persons listed as authors must meet the following criteria for authorship:

- I/we certify that I/we have participated sufficiently in the work to take public responsibility for the content.
- I/we certify that (1) I/we have made substantial contributions to the conception and design or analysis and interpretation of data, (2) I/we have made substantial contributions to drafting the article or revising it critically for important intellectual content, and (3) I/we have given approval of the version of the article to be published.
- I/we certify that the manuscript represents valid work and that neither this manuscript nor one with substantially similar content under my/our authorship has been published or is being considered for publication in print or electronically, except as described in an attachment.
- I/we attest that, if requested by the editors, I/we will provide the data or will cooperate fully in obtaining and providing the data on which the manuscript is based for examination by the editors or their assignees.

Proprietary Interest—The undersigned author(s) certifies/certify that all affiliations with or financial involvement with any organization or entity with a financial interest in the subject matter or materials discussed in the manuscript are disclosed. I/we certify that all financial and material support for this research and work is clearly identified in the manuscript.

Copyright Transfer and Permission to Acknowledge/Reference

Copyright Transfer Statement—The undersigned author(s) transfer(s) copyright ownership of the manuscript, "_____
_____"
to InnoVision Professional Media for publication in *IMCJ: Integrative Medicine a Clinicians Journal*. Permission to publish is also given for all subsequent use including reprints, electronic media, audiovisual, and any other subsidiary print rights worldwide of said article. The author(s) will have the right to use this material provided permission is requested in writing from InnoVision Professional Media. The undersigned author(s) affirm(s) that this material is original, is not under consideration by another publication, and has not been previously published.

- or -

Federal Employment—I/we was/were employed by the US federal government when this work was conducted and prepared for publication; therefore, it is not protected by the Copyright Act, and copyright ownership cannot be transferred.

Permission to Acknowledge/Reference—The undersigned author(s) certifies/certify that all persons named in acknowledgments and/or personal communications, verbal or written, have granted written permission to be named.
